

Reward Series™

Reciprocating Air Compressors

Experience Proven Results™

The Rewards

The Gardner Denver Reward Series offers a complete line of compressed air packages that meet any application. The Reward Series has been carefully engineered to stand up to years of use.

Every Reward Series compressor arrives with up to six standard, pre-installed accessories.

Standard Equipment Features

- Heavy Duty Two Stage, Splash Lubricated Air Compressor Pump(s)
- Multi-Finned Cylinders
- Integral Cylinder Head
- Intercoolers for Cooling Between Stages
- Reliable High Flow Disc Valves
- Oversized Main Bearings
- Balanced Crankshaft
- Oil Level Site Glass
- Centrifugal Unloader for Loadless Starting
- 0-300 PSIG Air Pressure Gauge
- Bucket High Drain Valve
- Factory Fill with AEON™ Lubricants
- OSHA Approved Belt Guard
 - Pressure Relief Valve
 - Service Valve
 - Drain Valve
 - Pressure Gauge

- Vertical or Horizontal Configurations
- Oversize Inlet Filter – Silencers
- Mounted Magnetic Starter
- Vibration Isolator Pads
- Automatic Tank Drain
- Low Oil Level Monitor
- Air Cooled Aftercooler (select models)
- Dual Control (select models)

Compressor Pump Warranty

Each new Gardner Denver Assembled Unit has a five (5) year warranty on the compressor pump only, against defects in materials or workmanship under normal use and service, from the date of installation or sixty-six (66) months from the date of shipment by Gardner Denver or a Gardner Denver distributor, whichever may occur first.

The five-year extended warranty covers parts and labor and is prorated over the five years as follows:

Year One — 100% coverage

Year Two — 90% coverage

Year Three — 80% coverage

Year Four — 70% coverage

Year Five — 60% coverage

Head valves are warranted for Year One only. Gardner Denver makes no warranty on components and/or accessories furnished to Gardner Denver by third parties, such as electric motors, gasoline engines and controls. These are warranted only to the extent of the original manufacturer's warranty to Gardner Denver.

Includes a five-year warranty on the air receiver, pump and motor.

Quality Accessories at a Glance

1 Magnetic motor starter

For thermal overload protection.

2 Air-cooled aftercooler

The factory mounted, heavy duty, air-cooled aftercooler effectively reduces up to 65% of the moisture from discharged compressed air. (select models)

3 Automatic tank drain

Automatically discharges excess moisture from the receiver.

4 Vibration isolator pads

Isolates the compressor unit from the foundation or floor. Reduces noise and protects the unit from any out-of-level floor situation that could cause vibration and damage.

5 Low oil level monitor

Low Oil Level Monitor shuts down the unit when oil levels are below an adequate level. Prevents the unit from restarting if oil levels are not at an adequate level.

6 Dual control

Allows compressor to run in start/stop or continuous run mode. (select models)
